## ABOUT THE SHOW

Join our tour guides on a boom bapping journey through Hip-Hop music & culture, featuring beatbox, live drums, loops, rap battles, poetry & breakdance. This family friendly show invites you, our passengers, to help us along the tour as we discover the iconic landmarks of Hip-Hop culture.

## SHOW HISTORY

Whistle Drop Tour: Hip-Hop Edition began from a school tour with Leicester's Spark Festival and evolved into an independent touring show, which has visited venues such as The New Wolsey Theatre, Ipswich & Warwick Arts Centre, Coventry & The Y Theatre, Leicester.

## SHOW FUTURE

The show is currently in a developmental phase and aims to be ready for touring in 2024. The show will sit as part of an educational offer to schools, which will include creative workshops led by the artists in the show.
